

Dear Members,

It is that time of the year where we start to see the fall colours and there is a chill in the air. Our 2017/18 season is fast approaching with Registration night on September 21, 2017.

The Board of Directors have been actively putting the pieces together for a successful and enjoyable season and we have made some significant investments in our club which we hope meets everyone's satisfaction.

The lights in the ice shed have been changed and replaced with LED. This was a big undertaking and with the help of many volunteers, the project was completed earlier this month. I want to thank Arthur Ham and his committee for spearheading this project. We are also in the process of installing cameras in the ice shed. This should be completed before our season begins and many thanks to Russell Oatman for coordinating. Here are a few more of the summer highlights:

1. Compressor overhaul
2. Brine pump repair
3. New water valve installed in water recirculating tank.
4. Evaporator leaks fixed.
5. Installed aluminum edging and rubber mats in ice shed.

Another issue that we thought should be addressed is our digital footprint which include our Webpage and Facebook. I urge everyone to please take a look at this and give us some feedback. The pages have been revamped and we will be updating and posting more regularly than in the past.

Our Membership Director (Sheila Havey) sent this out this past week reminding everyone about our Registration Night. In case someone didn't receive it, I have reattached it to this letter.

**When:** Thursday September 21st

**Time:** 6-9 PM

**Where:** 15 Galvin Street

Reduced drink pricing!

Chance to win \$25.00 coupon (redeemable for registration, bar or pro shop).
