Come reconnect with friends and enter to win a \$25.00 coupon applicable to registration, the bar or the pro shop. We hope to have a beer tasting event scheduled that night as well to gauge member feedback.

REGISTRATION FORM completion online is preferable. **Save your form first and then click the submit button** and your form will be delivered to the ACC email address. If you have missed some portion of the form it will be detected. You will need to fix before sending is enabled. If you have difficulty, please contact registrar. There will be people to assist you at club on registration night as well. Deadline is **September 30, 2019** to allow time for team composition and draw scheduling.

PAYMENT: Online payment is not available but there are a variety of payments options such as cash, cheque, Visa, Mastercard or derferred cheques. Payment must be received by first week of curling **October 15-18, 2019**.
