

Drop-in Curler Policy

Drop-in" is in response to requests for non-members, friends and spouses that can't commit to a league but want to occasionally get a game of curling in. Drop-in members will be accommodated in leagues that don't have fixed teams.

Leagues that can currently accept drop-ins:

- Tuesday evening, Friday evening,
- Tuesday afternoon & Friday morning

Please note:

- Unlimited members may join as a drop-in without paying a fee.
- Once-a-week curlers require payment of \$15.00 per visit.
- Social Members require payment of \$15.00 per visit.
- For Once a week and social members drop-in curling is not considered same as sparing privileges.

Process:

1. Non-member, and once a week and social members register on sign-in sheet.
2. Drop-in non-member signs sports waiver. Only one waiver per season is required.
3. Collect drop-in fee of \$15.00 per event via debit or cash.

(NOTE: #14 on register for "guest fee" entry of payment).

White binder with waivers and sign-in sheet is kept at Prior Patch bar. List of current members and status is attached.
